

HEALTH AND SAFETY POLICY STATEMENT

This policy will say how ST JAMES' TRUST (SEAFORD) will manage its health and safety responsibilities

We will manage Health and Safety by :

- Controlling Health and Safety risks at work by carrying out regular risk assessments.
- Involving staff and volunteers on health and safety issues that affect them
- Making sure that where staff and volunteers work, and any equipment they use, is safe
- Making sure that dangerous substances are stored and used safely.
- Making sure staff and volunteers, especially new member of the team, have the relevant information and training on Health and Safety.
- Making sure all staff and volunteers can do their jobs and are properly trained.
- Trying to stop accidents and work-related health problems
- Regularly checking that working conditions are safe and health.
- Regularly reviewing this policy and making changes if necessary
